SUBJ: Corrected Version of Appendix B - Coosa River Water Sampling Investigation Report
March 2004 (Proj. Nos. 03-1068 and 04-0048)
General Electric - Rome, Georgia
EPA I.D. Number: FLD 003 308 145

Dear Mr. Ussery:

Enclosed with this letter is the corrected version of Appendix B from the Coosa River Water Sampling Investigation Report dated March 2004. As instructed in the cover page for the enclosure, these corrections should be substituted for the version currently in the report.

If you have any questions, please contact Wesley Hardegree at (404) 562- 8938.

Sincerely,

Carol Monell, Chief
Superfund Remedial and Technical Services Branch
Waste Management Division

Enclosure: 1. EPA Memorandum on Corrected Version of Appendix B (March 29, 2004)
